CYNTHIA THERESA LORICK,

Case No. 16-45645 (NHL)

Debtors.

Chapter 11

DECLARATION OF CYNTHIA LORICK

I, Cynthia Lorick, being duly sworn states as follows:

1. I hold title with my husband Boysin to the property known as 3126 Coney Island Avenue, Brooklyn, New York (the “Property”). However, my husband has made all of the financial decisions in connection with the Property, with my consent.

2. I have spoken regularly to my husband and Ortiz & Ortiz, LLP, but have permitted my husband to administer the bankruptcy case. I have not been well, recently, and have had not choice but to delegate matters to my husband.

3. At no time did I intentionally violate the Court’s orders. When I did not appear at the court hearing and closing scheduled for November 7th, it was because I was not aware I was required to appear. My husband told me that there was no court hearing, and I was at a medical appointment. A copy of a letter from my doctor is annexed as Exhibit A.

4. I could not attend the hearing scheduled this week on November 13th because, again, I have been very ill. Annexed as Exhibit B is a copy of a letter confirming that I had a form of pneumonia.

5. When I was informed by Ortiz & Ortiz LLP this week of the Court's direction that I attend a closing next Tuesday, November 21st, to sign the deed to sell the Property, I stated that I agreed to appear at the closing and cooperate. I have not intentionally violated the Court's orders at anytime.

6. I am still suffering from my illness. I have been homebound for the past week and do not believe I will be well enough to travel tomorrow. As a result, I respectfully request permission to appear telephonically at the hearing scheduled for November 17, 2017, in my case.

I hereby declare that the foregoing statements made by me are true to the best of my knowledge and belief. I am fully aware that if any of the foregoing statements are willfully false, I am subject to punishment.
